

## Whether you're a dog person or a cat person

we're sure you can appreciate how important pets are as members of our families. The shelters are filled to capacity so it's vitally important that the community help those less fortunate so they don't have to surrender their pets. Unfortunately, the pet food bank at Animal Humane is running desperately low on pet food for donations. Last year they helped between 200 and 300 families a month by supplying them with pet food. Now, they're helping up to 740 families. The food bank is running so low; they may run out of food this weekend. We at Mesa del Sol believe our community can help make a difference for these families who need to be able to feed their pets rather than surrender them to the shelters. If you are interested in donating, we will be collecting dry and canned dog and cat food at the Mesa del Sol office on the third floor of Aperture Center Monday through Friday from 8 - 5. Pet food donations will be accepted today through Friday, November 14<sup>th</sup>. We will make sure that the donations are brought to Animal Humane as soon as we get them so they can be distributed to the families. If you have any questions, please call Mesa del Sol at 452-2600. Thank you everyone.
